

Chuck and
Katrina Brabham

Savannah, GA

Brabham Host Home Profile

Narrative: The Brabham's are a caring, loving, faithful and outgoing couple who truly have a heart for others.

Caregivers: Charles and Katrina Brabham

Caregiver experience: Katrina Brabham has over 18 years of service to the healthcare industry, primarily at Memorial Health System of Savannah. She recently obtained her Bachelors Degree in Healthcare Administration and has received various awards for exemplary customer service at Memorial. Chuck is her very supportive and gentle-natured spouse who is employed by Terminix. He holds a Bachelors Degree in Business Management which he received from University of Phoenix in 2011. His commitment to family and outreach to others is evident in each reference obtained throughout the home credentialing process. This is a family of high standards and loving kindness. They have two children, Russell, age 19, who attends Savannah State and daughter, Renesha, a middle schooler with a sweet and bubbly personality.

Home description: The 3000 square foot home is five bedroom two full and two half baths ranch style. The neighborhood is primarily made up of middle class families. The individual's room is nicely appointed and of ample size.

Neighborhood/local recreational activities: The Brabham home is located in Garden City and is just a few miles from beautiful River Street area of Savannah and Tybee Island. The community has many activities to offer with movies, bowling and various parks and recreational centers.

Ideal placement: The Brabham's would be willing to work with most developmental disorders and physical disabilities.
