Brunswick, GA

Merrell Host Home Profile

Narrative: Mrs. Merrell states that she gets great fulfillment from bringing joy to and helping others. Mr. Merrell describes himself as “helpful, calm, and someone who has a true heart for helping others”. This lovely couple has a strong bond and emphasize that they have always been a ‘great team’.

Caregiver: Van and Thomas Merrell

Caregiver Experience: Mrs. Merrell has over twenty years experience in the providing caregiving to Developmentally Disabled individuals including a variety of positions in various units of Gateway Mental Health. Mr. Merrell gained experience and a real love for working with the developmentally disabled during his ministry through music at Gateway in Brunswick over a period of 15 years.

Home Description: The Merrell host home is single story brick ranch with three bedrooms and two baths. It is situated on a nice size lot with a fenced backyard. The home is in a quiet middle class neighborhood just a block from SE Georgia Medical Center. They have lovely outdoor areas for relaxing and for walking.

Neighborhood & Recreational Activities: The Merrell’s ranch style home is in a middle class well kept neighborhood. Nearby recreational areas include Coffin Park, Glynn Country Recreational Park, Blythe Island Park and the beaches of St Simons Island are all within a mile to seven mile drive of the home.

Ideal Placement: The Merrell’s prefer a male who is under the age of 55, and someone who is able to join them in community activities.
