

Mosley Manor

Personal Care Home*

Sylvania. GA

Narrative: Mosley Manor a personal care home with providers who have been serving the Sylvania community all of their lives. Tommy and Diane Mosley's residents are their family. They say that they enjoy every moment that they share with them. The Mosley's add that it is a great pleasure and honor to serve their community and provide a helping hand to others in need. They have five sons and one daughter. Three of their sons have continued in the family caregiver business in Sylvania Georgia by providing host home services to those with developmental disabilities, the oldest son also stayed in the service field as well by running transitional homes and managing counseling and therapy services on the mental health side in Atlanta Georgia.

Caregivers: Tommy and Diane Mosley

Caregiver Experience: Diane has spent the majority of her adult years care giving. Tommy Mosley retired from public service with the Screven County Sheriff's Department after 30 years and since has helped Diane with the duties of the personal care home.

Home Description:

This lovely home has two bathrooms, three bedrooms, large kitchen area, dining room, living room, wheelchair accessible ramp and wide hallways. The home is a historic farm house which dates back to the early 1900's. It has high ceilings, spacious rooms and a vintage appeal and feel.

Neighborhood & Recreational Activities:

Mosley Manor Personal Care Home is located in the historic town of Sylvania, just minutes away from restaurants, healthcare clinics and shopping centers to accommodate daily needs. The home is also convenient to restaurants, city parks, library, movie theater and Screven County Sr. Center.

Meals & Transportation:

Mosley Manor provides three home cooked meals daily along with three snacks. There is usually something growing in the garden out back that makes it onto the table. Meals are an anticipated event in the home and the Mosley's enjoy providing healthy meals with a variety of choices for those they serve. The home provides transportation to medical appointments, events and other activities. The residents are always on the go to activities in the community.
