Description: (Please provide a description of your community)	Tebeau House is a residential care home consisting of 15 beds. It is smaller and more intimate than large congregate environment. It is still small enough to be non-institutional in character having the feel of a "home" away from home. Residents genuinely become like family and many resident families participate fully in the life at the homes.							
Top 3 Features: (What distinguishes your community)	Small intimate home-like setting Located conveniently one block from Mayo Clinic medical facilities Loving and warm caregivers who have been background checked and trained according to State of Ga Rules and Regulations for personal care homes.
