Williams Host Home Profile

Narrative: Ms. Williams is an experienced caregiver who is very patient and resourceful. Ms. Williams states that she has a passion for helping others and that she would like nothing more than to be able to provide the services that a host home requires in order to give someone a better life and to help them thrive.

Caregiver Experience: Ms. Williams has operated a Developmental Disability Host Home with Altrus since April 2013. She also has extensive experience working as a Registered Nurse in which she has had the opportunity to assist Individuals with a wide range of diagnoses. She obtained her Bachelors of Science in Nursing at Rutgers State University in 1978. Ms. Williams has a granddaughter who has Autism and has provided direct care and support for her over the years.

Home Description: The Williams home has three traditional bedrooms, one being currently used as an office and two full baths. The garage of the home has been converted into a suite. The home is a single floor dwelling and is situated in a middle class, residential neighborhood.

Neighborhood & Recreational Activities: The home is located in Chatham County. Recreational facilities near Ms. William's home include Tom Triplett Community Park, Progressive Community Park and various Chatham County Recreational Parks.

Ideal Placement: Ms. Williams isn't particular about the age of the individual placed in her home but would prefer a female. She also needs someone who is mobile and able to join her in community activities. The home is not wheelchair accessible.
